

# Domain Registration Policy

## Policy of Domain Name Registration .in.th

### .in.th : For any kind of organization or individual

#### Additional policy :

- Unlimited number of domain registrations
- Domain naming can be any words which is under "Principal of domain naming" (item 1-2,4-5 only)
- Foreign trade mark can register under .in.th in order to protect the right. In this case, domain naming has to be exactly the same as trade mark and domain would not active. Its renewal fee has to be paid as same as activated domain.

Document : There could be separated to be 2 cases

#### Case 1. For organization

- Authorized paper of organization establishment or
- Authorized letter of domain registration which specify domain and holder of domain name.

#### Case 2. For individual

- Identical Card, Government Card
- Driving license
- Thailand Passport
- Thailand work permit license

If a person who is under 15 years old, he/she must register the domain on behalf of his/her parent and he/she will able to change owner whenever he/she is 15 years old.

**Require Document**
