## Transfer Domain gtld

### Transferring your gTLD Domain

To transfer a gTLD domain from another provider to DotArai, please complete the following procedures prior to making the transfer request at DotArai.

- a. Change the email address of the Admin Contact of the domain that you wish to transfer to an email address that you find convenient to access and respond to
- b. Request to unlock your domain name (unlock Transfer) and acquire Auth-ID or EPP-Code, an authorization code required to complete Step 5.
- c. If you have privacy protection enabled on your domain name, make sure you disable it beforehand.

### Steps for Transferring a gTLD Domain

1. Login to your account, or if you haven't had one, sign up for one at <https://register.dotarai.com>

1. Click on the **Domain (2.1)** tab and select **Transfer Domain (2.2)**.

1. Input the domain name that you would like to transfer **(3)**

1. Then, click **Submit (4)** as shown below

## Transfer Domains

Transfer your Domain to DotArai

Please enter the domain you want to transfer to DotArai. To be successful, the owner and/or admin contact has to agree. They will be asked by email. If both agree, the transfer will be processed immediately, otherwise we will accept incoming answers for a period of 5 days.

Domain :

If you want to transfer many domains, please use our >> Bulk Transfer <<

Please note :

- please make sure, that there is no so-called 'registry lock' active for the domain to be transferred. Please verify, that the current registrar does not block the domain.
- the domain to be transferred must have been active for at least 60 days at the current registrar, otherwise the transfer will fail.
- the domain to be transferred must not be object of an active ICANN UDRP dispute procedure.
- the domain should be valid for at least 7 days, to ensure that the transfer succeeds within the time limits (5 days).
- this procedure will trigger email notifications to the owner and the admin contact of the domain to be transferred.

6. After entering your Auth-ID, please press **Next (6)** as shown.

7. The details of your domain transfer to DotArai will be displayed.

8. Select the duration (in years) of your transfer and renewal **(8.1)**(when you transfer your domain, you are required to renew your domain for a minimum of 1 year), and click **Next(8.2)**.

The screenshot shows the 'My Cart' page on the DotArai website. The navigation bar includes Home, Profile, Domain, Web Hosting, and Shopping Cart. The left sidebar has the DotArai logo and links for 'My Cart' and 'Upload a Bank Slip'. The main content area is titled 'My Cart' and includes a 'Billing Contact Detail' button. Below this is a table with the following data:

Product Name	Duration	8.1 Price	VAT	Total	Detail
Transfer a .com domain name and renew it for a year (dotarai.com)	12 months = 499.00 Baht	466.36	32.64	499.00	
Coupon Discount Code :	24 months = 998.00 Baht				
	36 months = 1,497.00 Baht				
	48 months = 1,996.00 Baht				
	60 months = 2,495.00 Baht				

Below the table, there is a 'Pay Amount 499.00 Baht' label. At the bottom left, there is a 'Next >>' button circled in red, with the label '8.2' next to it.

9. After that, your order confirmation page will be displayed, along with the service fees and order summary. You may choose one of the two available payment methods.

10. When you have chosen your payment method, please click on **DotArai Registration Agreement** after reading the service agreement to confirm that you agree to DotArai's terms of services. Click on **Confirm order** to submit your order.

Payment by : [Bank Transfer](#)

☒ DotArai Registration Agreement

[Back](#) [Confirm order](#)

\*\*\*If you select the Bank Transfer option, you may submit your proof of payment to DotArai by scanning or taking a photo of a bank slip and uploading the image via the basket menu or by sending your proof of bank account transfer to support@dotarai.co.th.

After DotArai have received your proof of payment, an email will be sent to the domain's Admin Contact (the address referred to in Step a.). The domain's admin contact will then need to read and agree to the terms of services, as well as agree to transfer to DotArai (This procedure is required by ICANN, [www.icann.org](http://www.icann.org), a governing body of the Internet that manages the Internet resources). When we have received a reply agreeing to these terms, your domain transfer request will be sent to the Registry, and if there are no disputes or rejection, your domain will be transferred in approximately 5 days. If and when your domain has successfully transferred to DotArai, an email will be sent to inform the account owner who submitted the transfer request.

## Notes:

- You may not transfer your domain name to a new registrar within the first 60 days after initial registration, or the first 60 days after a transfer.
- Please submit the transfer request at least 7 days before the domain's expiry date.
